SAN TAN FORD TO DONATE \$2,500 TO CATHOLIC HEALTHCARE WEST'S BUILDING BLOCKS FOR CHILDREN PROGRAM

GILBERT, Ariz. (July 31, 2007) – San Tan Ford opened its doors on April 23, 2007 and made a promise to become involved in the Gilbert and surrounding communities by donating to non-profit organizations.

On Friday, August 3 at 10:30 a.m. at San Tan Ford located off the San Tan Freeway and Val Vista Drive, they will hold true to that promise and will present their first \$2,500 check to Catholic Healthcare West for their Building Blocks for Children program. San Tan Ford Owner, Chris Guerrero will present Catholic Healthcare West's Rich Frazier, Vice President of the CHW Foundation – East Valley and Marty Breeden, Vice President of Mission Integration with the check.

San Tan Ford partnered with KTAR and The Peak's Detour Dan Beach to give back to the community with a program called the "Detour Dan Demo." Detour Dan will drive a San Tan Ford vehicle for two months then will share what he liked about the vehicle on the radio in an effort to sell the vehicle. And, when the vehicle is sold, San Tan Ford will donate \$2,500 to a local charity. Detour Dan will also be in attendance at the check presentation.

"We are very excited about giving back to the community and that Catholic Healthcare West's Building Blocks for Children Program will be the first beneficiary of our Detour Dan Demo program," said San Tan Ford's Owner, Chris Guerrero.

"When San Tan Ford approached me to ask if I would be interested in joining forces to give back to the community, I was absolutely flattered to pieces," replied KTAR's and 98.7 the Peak's Detour Dan Beach.

Margaret Loper of Phoenix purchased the first “Detour Dan Demo” San Tan Ford Mustang GT convertible. She is thrilled to be involved in this new program and knows the money will benefit many children in the community.

About Building Blocks for Children

The Building Blocks for Children program is a mobile, full-service health screening program comprised of the critical healthcare components that establish a solid foundation for children: immunizations and vision, hearing and dental screenings. The success of the Building Blocks for Children program is built on the generosity and support of community collaborators. Partnerships with the local non-profit community and generous private donations help provide essential services that are key to the program’s success, and to our children’s future. For information on the Building Blocks for Children program and how you can help, please contact 480.728.5602.

About Catholic Healthcare West

Catholic Healthcare West (CHW) is the eighth largest hospital system in the nation and one of the largest not-for-profit hospital providers in the West.
